

NorthStar Gymnastics

Presents The 19th Annual Spring Show 2024

THE SPRING SHOW

The Show is for all the students at NorthStar that are in the Spring Session. This is a great time for the kids to showcase all the things they have learned this year. Starting the first week of the Spring Session the kids will start learning the routines for the show. The students have the option to do as many of the routines as they want to. The show is a wonderful opportunity for the kids to perform the routines. The teachers are there to help the students anytime during their performance. We hope everyone will be a part of this wonderful event!

When is the Show?

The Show will be on Saturday, June 22, 2024. The number of students performing will determine how many sessions we will have. The first show time will start between 10:00 a.m. – 12:30 p.m.. The exact time that your child will be performing will be available on May 28, 2024.

What is the cost?

It is \$25.00. This is due with the entry form. This includes: 1) Entry into the show. 2) A Medal for all the kids. 3) A special gift for all the students.

Entry forms will be available, Monday, April 29, 2024.

Entry Deadline is May 18, 2024

Frequently Asked Questions About the Show.

Do the kids in the Spring Session have to do the Spring Show? No.

How long is the Show? It takes approximately an hour and a half for everything.

Will there be Spring Show attire available? Yes. You will be able to order t-shirts with the logo of the show on them.

Do the students have to memorize the routines? We would like to see them accomplish that. However, the teachers are right with them if they forget something. We want this to be a great experience for the kids.

Do the kids just learn the routines during the spring Session? NO. We do put a great deal of emphasis on the routines, however they are still learning new skills. If a student gets a new skill and wants to put it in their routine they can.

Is this a competition? NO!

Is it good for all ages? Through the first seventeen years of the show all ages have had a wonderful time, from the Tumble Bees through the Advanced Age Groups, it's a great experience!
